

## Lesson #5 Popular Variation--Back & Forth

Here is another popular way to do this two string "back and forth" thing. In this case we are using three notes along with that open string root.

**A**

**A**

T					
A	2	2 4	4 5	5 4	4
B	0	0 0	0 0	0 0	0

**D**

**D**

T					
A	2	2 4	4 5	5 4	4
B	0	0 0	0 0	0 0	0

**E**

**E**

T					
A					
B	2	2 4	4 5	5 4	4

So, to get to that 5th fret we need to use our pinky (4th finger). Of course you could try sliding your 3rd finger up to get that, whatever works is fine.
